Order—No. 1946, Revenue, dated 8th July 1953.

Whereas under section 23 (*a*) of the Madras Estates (Abolition and Conversion into Ryotwari) Act, 1948 (Madras Act XXVI of 1948) (hereinafter referred to as the said Act) in an estate notified under the said Act in which rent has been determined under the Madras Estates Land (Reduction of Rent) Act, 1947 (Madras Act XXX of 1947), the land revenue payable to the Government with effect on and from the notified date and until a ryotwari settlement is brought into force in that estate, in respect of any land held for the purpose of agriculture, not being private land, is the rent determined under Madras Act XXX of 1947 :

And whereas, if such land is one in respect of which rent was payable in kind and no rent was payable in the fasli preceding that in which the estate was notified under the said Act due to failure of crop, the land revenue payable in respect of it on and from the notified date and until a ryotwari settlement is brought into force in that estate cannot be determined ;

And whereas a difficulty has thus arisen in giving effect to the provisions of the said Act :

Now, therefore, in exercise of the powers conferred by section 68 of the said Act, the Governor of Madras hereby directs that the land revenue payable in respect of such land, on and from the notified date and until a ryotwari settlement is brought into force in the estate, shall be either the highest ryotwari rate for the same class of land in the taluk in which the land is situated or the rate adopted for similar land in the same village or in a village in the neighbourhood, in respect of which rent was payable in kind, whichever is lower.
